

NRAA's CapWiz Legislative Advocacy Program

You can become involved in our grassroots campaign by using our [Capwiz™](#) Advocacy Program

To use the NRAA grassroots communications program, simply: Go to <http://capwiz.com/nraa/home/>

- Click on the Action Alert box
- Make sure to repeat the process for each version of the bill or legislative action you are contacting them about, one for the House and one for the Senate.
- Decide if you want to email the letter or print a copy to be faxed.
- Fill in the requested information (do this multiple times if you have more than one facility)
 - Name, address, email address, be sure to add your zip code, as this will allow the system to find your U.S. Representative (for each facility, enter the zip code of the facility)
- You may edit the message to allow for any personal stories or specific facility information, or you can leave the message as is. Please make sure to keep the title of the bill and the bill number in the letter or legislative action you asking them to act upon.
- After you hit "send message" a listing of your U.S Representative and Senators will appear.
- Please choose Health Care or its likeness as your subject matter in the drop down boxes for each official.
- Enter any other required information.

Email option

- If you have chosen the option to email, please hit the button to send the letter.
- Please check the box to send a copy to the NRAA.

Printed option

- If you have chosen the printing option, make sure all appropriate officials are selected.
- Choose the format you would like the letter to print in (word processor, text, or html).
- Print the letter and fax it to your legislators office. (mailed letters take 3-4 weeks due to restrictions imposed from 9/11).
- Please send a copy of your letter to the NRAA's Legislative Office, Attn: Jerry Klepner at:
